Distance learning also has its advantages

Closing schools can also be an opportunity for family socializing and an incentive to develop online teaching.

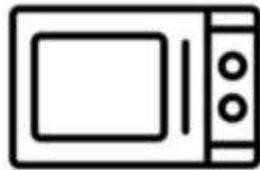

WHAT TO DO DURING QUARANTINE 101

**sleep like you haven't
slept in ages**

**watch as much Netflix
as possible in the 1st
free month**

**basically graduate in
cooking food in a
microwave**

be late to every Zoom meeting

During the epidemic, most Slovenes baked bread at home – this habit will remain

How Slovenians played music on their balconies and terraces

Following the example of Italy and with the motto, follow the instructions, stay home !, in these uncertain days.

"We are here for you, stay home for us"

To the Slovenian public, dr. Janez Tomažič wanted to send a positive message, and we thank you for everything they do for all of us during these hard days.
